MURRAY STATE COLLEGE

Business

Catalog Year 2018-2019

An Associate in Science in Business is designed to prepare graduates from Murray for transfer to a regional or comprehensive university. This degree is a general business Associate of Science degree. When students transfer, they can decide to specialize in specific areas of business such as: Accounting, Economics, Finance, Human Resources, Management, or Marketing. Students interested in transferring to a four-year university should consult with an academic advisor from that school to ensure transferability and completion of the appropriate program electives.

This is a suggested course sequence only. Students may, with guidance from an Academic Advisor as well as a Faculty Advisor, make changes to their specific course sequence. The student should be aware that changes may result in more than four semesters to complete their desired Associates Degree.

GENERAL COLLEGE PREPARATORY REQUIREMENTS

Students may be required to complete transitional courses in English and/or math prior to being admitted into college level courses.

Academic placement is determined either by ACT results or placement exams.
